Custom tissue services	Inquire		

¹Cancer Center members receive 10% discount.

²Applicable to clinicians contributing significantly to procurement of requested tissues.

³Includes H&E-stained section and review of slides for quality assurance (a bargain!).

⁴Sections provided from paraffin blocks maintained in the Tissue Bank or Pathology Department archive.

⁵Procurement linked to investigator's project-specific consent.

⁶Current non-business hours are weekends or after 5 PM weekdays. Price based on 2 hour minimum; additional hours will be charged. Fee charged regardless of whether tissue is successfully collected.

⁷Tissue technician time, charged in 15 minute intervals (rounded up).
